$$1 + 1 = 3$$

A group of people are gathered around a rustic wooden table, likely in a meeting or collaborative work environment. In the foreground, a person's hands are visible, holding a black smartphone. To their right, another person is writing in a white notebook with a red pen. Further back, another person is holding a pen over a notebook. A tablet is visible in the upper center. The scene is lit with warm, natural light, creating a professional yet relaxed atmosphere.

Merci
